

AMSSC

Australian Mathematical Sciences
Student Conference

2011

Monash University

Clayton, Victoria

June 09- 10, 2011

Key Topics:

Pure & Applied Mathematics

Mathematical Physics

Atmospheric Science

Statistics

Invited Speakers:

Maria Athanassenas (DSTO)

Burkard Polster (Monash)

This conference is supported by the Faculty of Science and School of Mathematical Sciences, Monash University and AMSI
